1.	F	Taiked with Boyd Crawford, House
Foreign .	Affairs Committee st	laif. who advised that he had made a mistake
in giring	the date of 18 March	for the Zablocki group to come to the Agency.
He stage	sted the 24th and 1 is	dicated this could cause problems so
Crewiore	i suggested the 22md.	I stated I would check on this and advise.
2.		iked with James Cehrig, Staff Director, Senate
Space Co	entalthee, who indical	ted the Chairman was most desirous of reviewin.
the conel	usions of the most re	scent Estimate on Soviet space activities. I
explained	that fermishing the s	specific document might pose problems but
that we w	rould look into the cas	itter. Cehrig indicated that the Chairman was
most sax	lous in any event to g	get the information concerned. Gehris added
that in al	l likelihood the Chair	illed in on this topic.
3.	•	Talked to Mr. Gillenwaters in the office
of Congre	sseedd Bob Vilson w	the queried whether we had any current spenings
in the GS	-15 level. I explaine	d there were rarely such openings but we would
be happy	to look at any applica	eat in the event he had necessary qualifications
for those	iew openiage. dr.	Gillenwaters indicated this was a general query
rather th	an a specific one and	ac further action was accessary.
4.		Taihed with Russ Blandford with
respect t	s the scheduled CIA S	Subcommittee of House Armed Services hearing
on I riday	1. 19 March. In view	of the physical moves of the Committees
on the Mil	il it was suggested th	at it might be better for the hearing to be in
ans of the	i Subcommittee room	s in the Rayburn Building. This will be
checked p	wies to Friday. In a	ddition, I called to Mr. Blandford's attention
the previ	ous discussion between	en Mr. Rivers and the DCI in which it was
decided ti	hat a tape recording t	would be made of the hearings. The time is
set for 8:	30 and will have to co	enclude by ten e'clock in view of a scheduled
full Course	nitles meeting. As t	o za agenda, Mr. Biandiord stated he had
discussed.	this with Mr. Liver	a and that they will leave the question of an
